There Is Another New Way

TTS TECHNOLOGY | WHAT ARE TRANSDERMAL THERAPEUTIC SYSTEMS?

It is the way in which an active ingredient is adhered to clean, hairless, dry skin with intact skin integrity and taken into the body through the skin without losing dose during the absorption process in the digestive system.

TTS TECHNOLOGY | TRANSDERMAL THERAPEUTIC SYSTEMS

TRANSDERMAL SYSTEMS AND THEIR BENEFITS

TRANSDERMAL SYSTEMS AND THEIR BENEFITS

Transdermal therapeutic systems are systems that are applied directly on the skin and where the active ingredients pass through the skin and have a direct effect without entering the portal circulation.

TRANSDERMAL SYSTEMS AND THEIR BENEFITS

Sale of Rylworld International products on the internet other than www.rylworld.com.tr is prohibited.
